Please note, a refrigeration was requested for your iron supplement medication. It is true, you do not have a roommate when lodging in the hotels; only in the trailers at the other 2 branches.

Take care.

I called and asked if there was a small fridge in the room – sounds like it depends on the type of room booked.

(I know it sounds funny to ask – but I want to stay current on my iron supplement that requires refrigeration – of COURSE I can just keep it on ice, etc while I am there but I am curious – if I will have a mini fridge in room).

Also, it does not appear that we have roommates – this is true?

Thanks
Christy
